## **Being a dishwasher is not a crime... 30-second commercial script**

*(SFX of dishes being washed runs in background – voiceover begins 2 second into SFX)*

Ron: **Second-hand smoke, it triples your risk of developing lung cancer. Current Kingston by-laws protect non-smokers in Kingston workplaces—but restaurants, bars, bingo and pool halls are not covered by those bylaws—they aren't smoke-free.**

**Being a dishwasher is not a crime... it shouldn't carry the death penalty. Everyone deserves a smoke-free space. For more information call the KFL&A Health Unit's Tobacco Information Line at 531-8946, that's 531-UWIN.**
